### **7 Culture in Kyiv**

#### **1 Suggested Answer Key**

I don't like the opera very much as some performances are in a language I don't understand. I like seeing a classic ballet performance, though. I like listening to the music and seeing the dancers move gracefully on the stage.

#### **2 Suggested Answer Key**

If someone wants to see a ballet, an opera or a theatrical performance they can do so at one of the many theatres in Kyiv, like the National Opera House. I think that the cinemas in the pictures show all the latest local and international productions as well as old, classic films.
