### **2 Kyiv**

#### **1 Suggested Answer Key**

I always go sightseeing when I travel. I like visiting museums, especially ones with unusual exhibitions, and historical sights.

#### **2 b)**

1 B    2 A    3 C

#### **3**

1 D    2 A    3 B    4 C    5 C

#### **4**

1 fellow            4 great  
2 underground    5 magnifying  
3 stunning        6 entertainment

#### **Suggested Answer Key**

Lavra caves feature underground tunnels below a monastery in Kyiv. There are stunning views of the Dnipro River in Kyiv. If you enjoy the great outdoors, you'll love exploring the Central Botanical Garden. You need a magnifying glass to see some of the exhibits at Pechersk Lavra. The entertainment complex at Hydropark features models of famous attractions.

#### **5 Suggested Answer Key**

From the text, I learned that Kyiv has a very wide variety of attractions. There are big parks where you can enjoy nature but also deep underground caves. There is also the extremely interesting Microminiatures Museum, where you can see microscopic works of art.
